WORK EXPERIENCE

Bank Pekao S.A.

Jun. 2020 – Feb. 2023

Analyst, Investment Banking & Commercial Real Estate Department, Syndication Team

Warsaw, Poland

- Bank Pekao S.A. is one of the biggest financial institutions in the CEE region and the second biggest bank in Poland with 6.4m clients and PLN 281bn of assets.
- As Financial Analyst, I was responsible for selling the bank's exposure from the portfolio of corporate clients to domestic and foreign financial institutions. My job involved preparing answers for the Q&A sessions, comprehensive information memorandums, transfer documentation in the LMA standard, internal loan applications, market, and financial analyzes, and talking to clients about the market and exposure.
 - Completed transactions with clients, funds, and banks operating in 7 European countries: Poland, Great Britain, Germany, Slovenia, France, Spain, and Italy.
 - Sold over PLN 1.2bn of the bank's exposure (ca. EUR 260m) involved in the loans granted to one of the biggest national and international companies.
- I was also involved in internal IT projects related to Syndication and Agency fields - after receiving the beta version of the application that would allow the bank to easily transfer the files with the clients, I was responsible for preparing the testing documentation for other employees.
